

CURRICULUM VITAE

Personal Information

Full Name: Aaron Mauricio Flores Redondo

ID Number: 305580467

Specialty: Software Development, Web Development, and IT Support

Phone Number: +506 62921844

Email: Aaronmfcf@gmail.com

LinkedIn: <https://www.linkedin.com/in/aaronmfr/>

Profile

Advanced student of Computer Systems Engineering with a technical degree in Software Development. I have work experience in IT support and a solid command of key technologies for development and project management.

I am a proactive person with a high capacity for concentration and rapid execution. I excel at communication and the ability to explain complex technical concepts clearly.

In the technical field, I am proficient in project management and DevOps tools such as Azure DevOps, Jira, Docker, WordPress, and Power BI (PBI). My development skills encompass languages such as Python, Go, JavaScript (JS), PHP, HTML, and CSS, using frameworks and libraries such as React, Django, and Laravel. Regarding databases, I am fluent in MySQL, PostgreSQL, and SQLite.
